**Chapter of Good Intent No. 307**

I was born in 1942, educated at Rishworth School and spent my working life in the wool textile industry, retiring in as Wool Buyer 2002. My interests are fell walking and Freemasonry, as a lewis was initiated into the Lodge of Probity No. 61 in 1979 and exalted into Good Intent in 1981. I married Janice in 1977, whose education was completed through masonic charity, but she sadly died in 2006. We had no family. Since then I have travelled widely and expanded my masonic activities to include 4 lodges (1 honorary), 2 chapters, Rose Croix and Mark.
