

## John Whitworth Past Grand Standard Bearer

Joined Royal Arch Chapter some 24 years ago in Heckmondwike. During that time I have occupied "Z" "H" and "J" in the Principals chairs on 11 occasions. This proved a necessity in the wellbeing of my Chapter. I have been in Acting Provincial Office for nearly 8 years as a DC (apart from a short break in service), with my current role being Provincial DC.

In nearly 34 years in Masonry I have been through the chair of Craft Lodges on 6 separate occasions and have spent the majority of my leisure time to include masonry fund raising for numerous charities, churches, and other organisations by singing and entertaining. I have been fortunate to have raised in excess of £150,000 for many worthy causes including jointly putting on 2 Masonic Variety Shows for our province"
